Dear Mr. Laraway:

New York State Department of Environmental Conservation (NYSDEC), as Lead Agency, has completed the Final Environmental Impact Statement (FEIS) for the P&M Offshore Wind Infrastructure Project (POWI Project). The FEIS was transmitted to Ingalls & Associates, LLP on June 22, 2022 via NYSDEC's File Transfer Service and it was requested that it be posted on the applicant's website at: : <https://www.carvercompanies.com/about-us/port-of-coeymans-offshore-wind-infrastructure-project/>. Please also ensure that a hard copy of the FEIS is made available from the RCS Community Library, 95 Main St, Ravena, NY 12143.

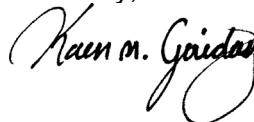

Once posted on the website, the FEIS must remain posted until one year after NYSDEC's final decision on the applications. NYSDEC is also providing notice of completion of the FEIS in the Environmental Notice Bulletin, in accordance with 6 NYCRR Part 617.12.

NYSDEC's State Environmental Quality Review (SEQR) Findings and permit decisions must await the passage of a minimum 10-day period in accordance with 6 NYCRR Part 617.11(a), which is July 5, 2022.

In accordance with the distribution requirements in 6 NYCRR Part 617.12(b), we are also providing Notice via email to the involved and interested agencies for the POWI Project.
